

Dear Claudine,

Phew! The April \$1 Parking Lot Sale was a huge success this past weekend! Thank you to everyone who helped, especially Erin and Helen who made preparation and set up run like a well-oiled machine.

We still have quite a bit of spring/summer \$1 items left, so the racks will be out for the next week or so. If you were not able to make the sale, stop on by and check them out.

One last thing . . . please, please, please vote for the Kanzius Research Foundation at www.refresheverything.com so that this important research receives a grant for \$250,000. The voting only goes until April 30th and you can vote each day!

Thanks so much, Claudine
