

Dear Claudine,

How has another year flown by? 2009 was a great year for Milestones, full of growth and lots of changes. Hopefully, you have all had the chance to see the new back section of the store. If not, be sure to stop in soon!

Thanks so much, Claudine

- Mar 31: Consignor payout for N-Z

Consignor Payout Changes

Changes for December 2009 payout:

In order to be more consistent with our "recycle and reuse" philosophy, consignors will now receive only a bank-issued check in the mail. With over a 1000 consignors, we used reams of paper and lots of ink/toner for printing the newsletter and sold reports. Therefore, these two items will no longer be included with your check. Should you wish, though, sold reports can be requested at any time. We would be more than happy to send one to you via email or print one out for you to pick up. Just email us or give the store a call. Also, the newsletter, which you're currently reading, will now be emailed and posted to the store website monthly instead of quarterly. We don't want

you miss a thing!

Changes for 2010 payouts:

In addition to the changes outlined above, consignors will be paid out 4 times per year instead of 3 times. Consignors with a last name beginning with A-M will be paid the last days of Feb., May, Aug., and Nov. Consignors with a last name beginning with N-Z will be paid the last days of Mar., June, Sept., and Dec.

Please feel free to give the store a call if you have any questions regarding these changes!

Double Punches January 12-23

~~~~~  
Customers will receive double the number punches on their Frequent Buyer cards during the middle two weeks of January. This is a great opportunity to make sure you fill a card and become eligible for the private Frequent Buyer Sale!
