Find us on Facebook 

Dear Claudine,

Summertime in Erie is wonderful, isn't it? I am sorry that I did not get a newsletter out in May . . . that just means I have a lot of information to pass along to you this month! The summer clearance sale is just around the corner, so be sure to check out the Calendar of Events.

Hope to see you all soon,  
Claudine

Follow us on  
Facebook!

We now have a fan page on Facebook and it pays to follow us! Because we like to send only a couple of emails each month, Facebook is the way we can keep you posted about new merchandise on a daily basis. We post pictures of many larger items too! Each week, we also post a **Facebook special**. So, start following our posts so you don't miss out on the discounts!

There is also a Reviews tab on our fan page. We would love it if you would write a review about your experience with our store and suggest to your Facebook friends that they like Milestones too!

## Information about Consigning

We just added our 1300th consignor! It is time to get ready for the next season, and you will want to plan ahead! We are currently scheduling 4-5 weeks out for review appointments and 2-3 weeks for a drop & donate appointment. **NOW is the best time to bring in your fall apparel, winter coats, and Halloween costumes!**

We have done a little rearranging in the store too. Consignors can now help themselves to hangers (in the dressing room) prior to their appointments. Signs tell you which kind of hanger works best for which size of clothing. Remember we are always in need of those white or clear plastic giveaway hangers from the stores, so bring in your extras!

## Local Events

I come in contact with so many people through the store, and many are involved with worthy causes or trying to get the word out about their own small businesses. I want to be supportive without bombarding my customers, so I thought I would just include an article in the newsletter that lists things you might be interested in with links for more information.
